

ROTHWELL GYMNASTICS

CODE OF CONDUCT **FOR PARENTS, GUARDIANS & VISITORS**

As part of the club's protection policies for children and vulnerable adults we kindly request that all non-members or visitors on club premises adhere to all health and safety requirements and the following rules and procedures...

- Please do not enter the gymnastics hall unless you have a child in training or registered at the club. There is CCTV livestream in the lounge for viewing if you wish to watch a class. If you remain to view, please do not act in a way which may distract the gymnasts or coaches.
- If your child is being collected by someone who does not normally pick them up, please make sure the coach in charge of the session is aware of this
- Ensure you arrive in time for your gymnast to get ready for their session and that you arrive in plenty of time at the end of the session so the gymnasts don't become anxious. In an emergency if you are unavoidably delayed, please contact a coach at the club immediately. Failure to do this means that after 20 minutes, children's services and or the police will be contacted as per British Gymnastics Guidelines.
- No photography or video recording equipment including photo and video imaging phones may be used during training sessions without permission.
- Please ensure that your child is aware of and abides by the members code of conduct (displayed on notice boards, in the Pink Book and on the club website) and all instructions of their coaches and leaders.
- Please avoid any behaviour that could be interpreted as intimidating, this includes threatening, bullying, trying to gain an unfair advantage and public disparagement of club members/coaches or helpers. This includes the use of foul language.
- Non payment or late payment of fees, club membership and British Gymnastics membership will lead to loss of places in club.
- If you wish to raise and concern about any aspect of the club procedures or regarding a specific incident please contact a welfare officer Helen Dixon, Lisa Bilclough, Ekanem Akiti, Pam Stevenson, Kaylee Whiteley, Joanie Groves or Adama Jobe. They can be emailed directly on rothwellwelfare@outlook.com
- If you wish to have information about your child's training please do this by emailing the club at rothwellgymnastics@hotmail.co.uk and this will be directed via the head coach to the correct person. Please DO NOT distract the coaches from their session as this may affect ratios, equipment set up and supervision levels in the gym.
